At 3:44:45 the Essex, No. 3, was officially checked and continued down Main street to the official parking station. The Buick left Elko at 2:29 p. m. and the Ford pulled out of that place at 2:40, and had not arrived in this city at the time. The Bonanza went to press.

The contestants in the 1000-mile Nevada automobile road race from Reno to Elko, Ely, Tonopah, Hawthorne, Yerington, Carson, and return to Reno, were met last evening by the entire population of Elko, as they swiftly raced into that city. With a good night's rest the drivers and their mechanics were off on the second lap of the race into Tonopah via Ely. The following is the order in which the cars left Elko at 4:30 o'clock this morning:

## BOYLE TELLS REASONS FOR ORDERING STATE POLICE TO TONOPAH

Official records in connection with the coming of the state police force to Tonopah are made public by Governor Boyle in telegrams from the officials of Nye county.

Proceedings of the state board of examiners show that on Thursday, June 23, a deficiency of not to exceed \$25,000 was voted for the purpose of financing the police which had been requested in the telegram below sent to Governor Boyle by the Nye county officials.

"Tonopah, June 22, 1921.  
"Hon. Emmet D. Boyle, Governor of Nevada, Reno, Nevada.

"To maintain order under present circumstances will require about 40 additional police officers. These must necessarily be drawn largely from among the men out of it secured here and Nye county is not financially able to pay such a force. We feel that to maintain order, prevent reprisals and preserve a neutral position between the men out and the newly employed men, the state should use its power, and we accordingly request your assistance. We ask that Superintendent R. R. Henrichs accompany any force you may send to act in conjunction with the local civil authorities.

"Mark R. Averill, district judge; W. R. Thomas, sheriff; W. R. Coch-

ran, chief of police; Frank T. Dunn, district attorney; W. J. Douglass, county commissioner; C. E. Wittenberg, county commissioner; Henry C. Schmidt, county commissioner."

Upon receipt of the foregoing telegram Governor Boyle directed Henrichs to organize a detachment of men for service in Tonopah, and was informed that no funds were available. The meeting of the board of examiners and the providing of a deficiency followed.

Last Saturday a long telegram was sent to Judge Averill in which Governor Boyle declared: "The police will not be sent in on the assumption that Nye county cannot afford to procure its own force but on the theory that a neutral force cannot be secured there."

In the afternoon the following reply was sent:

"Telegram received. Arrangement satisfactory to me. I firmly believe a sufficient thorough neutral force cannot be had here. Will notify other officials but this being Saturday they are hard to reach. Will let you know if any opposition develops, but expect some from officials."

Later in the evening of last Saturday the governor received a second telegram from the Nye county officials.

Daugherty said the proceedings would supplement criminal actions instituted last March but would not in any way stop prosecution of the pending criminal cases. A resolution was adopted pledging the conference to adhere to the principle of the indissolubility of Christian marriage.

The Rev. Mr. Marree denounced Lord Buckmaster's bill in parliament for divorce reform, saying it could adequately be described in two titles, "Divorce While You Wait" and "Marriage on Trial for Six Months."

An amendment to the resolution that the conference should pledge itself to adhere to the teaching of Jesus Christ concerning marriage was lost.

## CARPENTIER HAS FACED MORE OPPONENTS THAN CHAMPION DEMPSEY

(By Associated Press)  
NEW YORK, June 29.—Veterans of numerous gory ring battles will face each other in the ring when Jack Dempsey defends his heavyweight title against the challenge of Georges Carpentier in the Jersey City ring July 2. Through several campaigns, both have won and lost contests in nearly every possible manner. Both have won by knockouts, on points and by fouling both have lost on points and by fouling. Although Dempsey never has lost a decision, on a foul as did Carpentier when the latter was on his way to the championship. Dempsey also has fought two no-decision bouts.

Carpentier, fighting since 1917, is the more grizzled veteran of the two. In winning his way up from the bantamweight ranks to the heavyweight class, Carpentier, who started boxing at 14, has engaged in 85 battles. In 71 of these he emerged from the ring the victor. Thirty-four times he won by knockouts; 33 times on point decisions and four times on fouls by opponents.

The Frenchman has fought only five draws; has lost once on a foul and has been knocked out once. To a French youth named Gloria goes the credit for being the only opponent who has stood over the challenger and listened to the toll of the referee.

Carpentier's record, before the war, is one of the most active credited to a leading boxer. Service in the French army curtailed his boxing for four years but since the armistice with a heavyweight title bout his main consideration, Georges has engaged in fewer glove contests. Jack Dempsey has fought 64 battles
